

Proposal

Information on local board members

Online NA VacciNAte

Proposed by:	According/Referring to:
National Board	Standing Orders §4

Description and rationale:

To ensure that we keep an overview of our growing organisation and to keep our daily work on track, it's very important to know the people in charge of the sections' work. Furthermore with the strengthening of our national support structures it is necessary to know who to address on the local level e.g. for our Communities. At the moment you already have the duty to forward information on who your Local Representative is. With this proposal we would like to extend this on all other local board positions as well.

Necessary changes in SOS:

§ 4 - Rechte und Pflichten von Mitgliedern

(2) Jedes Mitglied muss einen Ansprechpartner (Lokaler Repräsentant) benennen, der auch andere Positionen innerhalb des Mitglieds innehaben kann. Der Wechsel des Ansprechpartners **sowie der Vorstände des Mitglieds** ist dem Vorstand unverzüglich mitzuteilen.
